Administration and Staff report  
April 13, 2021

Thank you to home and school for organizing the spirit wear and the DFS fundraiser.

We once again needed to pivot as the government mandated procedural masks for all students grades 1 through 6. Amazing how resilient all the children are.

We have 421 students registered for next year which means we will have two more homerooms. We are almost at capacity.

Phys-ed has started teaching Track and field to grades 3 to 6.

The grade 6 students did an amazing job with the mask fashion show video. Thank you to Ms. Anto for helping the students make their masks and to learn how to sew. Thank you also to Mr. Berard, Mr. Bayer, Mme Kellie and Ms. Borrelli.

Daycare celebrated national grilled cheese day with grilled cheese sandwiches for their afternoon snack on Monday.

Still working on fine tuning the quotes for the play structure that will go in the kindergarten area. We are getting closer to picking the company.

I am also working on having an outdoor classroom.
