SCHOOL TAXES

You will soon be receiving your school tax bill in the mail. Please take this opportunity to verify that your tax dollars are going to the school board that is educating your child.

Your school tax bill should be from **Comité de gestion de la taxe scolaire de l'île de Montréal**. If you are not paying Comité de gestion de la taxe scolaire de l'île de Montréal, please correct that as soon as possible by contacting **514-477-7000 (Commission Scolaire Des Trois Lacs)** and request the change be made.

It is important to note that the school tax bills automatically default to the Commission Scolaire Des Trois Lacs, unless you request the change. We ask that you pass this information on to new neighbors that will be using our school and to grandparents, neighbours, etc.

It is up to all of us to ensure that our school gets the funding that it deserves and needs.

This can only make Edgewater and our children's school life better. Thanks!!
