

2023-2024 REGISTRATION INFORMATION

EDGEWATER SCHOOL

New student registration appointments will be taking place from January 23 to February 3, 2023 at Edgewater School.

With the exception of K4 (four-year-old kindergarten), you must register at the school that you are zoned for. Please use this link

<https://busplanner.lbpsb.qc.ca/> to make sure that you are zoned for our school.

If you are interested in registering your child at Edgewater, please email Ms. Ulla Schoenmakers uschoenmakers@lbpsb.qc.ca and provide the following information:

- Your name
- Telephone number
- Address
- Child's name
- Child's birth certificate
- Child's Medicare card
- Grade level for registration
 - K4 – child must be 4 years old by September 30th, 2023
 - K5 – child must be 5 years old by September 30th, 2023
 - Grade 1 – child must be 6 years old by September 30th, 2023

Important note about K4

Space in our K4 program is extremely limited and strictly determined by the protocols outlined by the School Board. Priority is given to siblings of current Edgewater students. If there are any spots left, they are given to in-zone students determined by distance from the school (closest gets in first...). After this, out-of-zone students would be accepted. You may only register your child at one school.

Registration does not guarantee your child's spot in K4. Please do not release your daycare spot until you receive an official letter of acceptance.
